Forms Instructions

Questions? Email us at
Questions@gatesandgableschoice.com

- 1) **Contact and Property Form:** This form must be filled out with ALL Legal Owners of those on the title to the property as well as their contact information.
- 2) **Listing Form:** Please note all fields with an asterisk (*) are mandatory. Without all required fields filled in we will NOT be able to upload the information into your Local MLS. With that said, if you have questions about any of the fields please call us, do not send the form in with them blank or unknown.

 **Helpful Tip:** It is our experience that Buyer's criteria can be simple to extremely detailed so the more information you provide and more detailed you are the more searches you will show up in. For example, if I am a buyer searching for land I might have at end of cul de sac with wooded lot and near transportation and your Land might meet all of my criteria however because you didn't put it was a wooded lot then you wouldn't show up in my search.

- 3) **Change of Listing Form:** This form is needed when you have changes you want to make such as updating the price, editing the remarks, etc. It is also needed when you have any type of status change.

 **IMPORTANT Note:** You MUST submit this form and notify us of ANY accepted offer within 48 hours and you must provide ALL fully executed sales contracts and disclosures within 72 hours per law.

- 4) **Order Form:** If at any point you would like to add something to your package such as advertising for your Open House, an additional yard sign, lockbox, professional photos or drone videos, etc then you may do so by simply filling out and submitting our order form.
- 5) **Renewal Form:** Need more time? You can renew your package without paying full price!
